INTERNATIONAL FAMILY DAY

Mr Steve
PRINCIPAL

Dear ABCIS Community,

The 2025 ABCIS International Family Day was a fabulous event, raising 315,167,000 VND.

For the first time ever, we ran the event inside our wonderful Sports Hall, meaning everyone was cool and able to enjoy the games and activities alongside visiting the business and flea market stalls.

The food market was extremely popular, with delicious food from all over the world, including a number of parent stalls who collectively raised over 45,000,000 VND towards the overall total.

I would like to thank the parents who made generous donations to support the event, this year exceeding 90,000,000 VND. These donations are very much appreciated and will all be used directly to support local charitable causes.

The raffle proved to be a fantastic finale to the event, with some great prizes, including an electric bike, hotel stays, Pilates vouchers, pinball games, and much, much more.

The list of people who contributed to this year's event is too long to list in an introduction, so please take the time to read the following supplement and appreciate the support from all involved.
